West Athletics softball pants order form

This form must be completed and returned to the athletic office by **February 1st** so that we can distribute items before the season begins. If you order arrives after that date no printing may be available and the game pant price may increase.

For practice, many student-athletes have their own pants, but we also hope to shed our lightly used grey pants to anyone who needs a practice pair. These may be printed with the player name for a small additional cost. As in previous seasons the belt and black socks are required. No name can be added on game pants.
